The 1981-82 Dimmitt Bobcats continued their winning tradition this season, gaining the Class 2-AAA State Championship. It was a very rewarding year, which included some of the most exciting play-off games in Dimmitt High School's history.

Of the six play-off games, two were one point victories, one was a two point victory, and one was a triple overtime victory in the regional finals.

The state games will long be remembered by Dimmitt coaches, players, and fans. In the semi-final game against Diboll, the Cats were behind late in the game, but managed to pull out a 66-64 victory. Then in the most exciting finish of any game Dimmitt has ever played, Phil King made a rebound shot with one second on the clock that won the state championship for Dimmitt over Linden-Kildare 60-59.

During the course of the season, many new records were set. After a double overtime victory against Estacado at the Caprock Tournament, the Bobcats became the first small school team to ever win the championship of the large-school division. Many individual records were among these. Kevin Cleveland was named MVP of all three tournaments — Hereford, Caprock, and Reese. He also broke the season and career scoring records for Dimmitt with 912 points scored. Jeff Watts set a new season rebounding record with 392 rebounds.

There were numerous honors presented throughout the season. Kevin received the following: was named to the Regional Tournament Team, the TABC Regional — 1st team, South Plains — Player of the Year, Panhandle Super Team — 1st team, All-State — unanimous, TABC All State — 1st team, and the Sportswriters All State — 1st team. Phil King was named to the Caprock All-Tournament team, and also to the State All-Tournament team. Jeff Watts also did well. He was named to the Regional All-Tournament team, the TABC All State — 3rd team, the All South Plains — 3rd team, and the Panhandle Super Team.

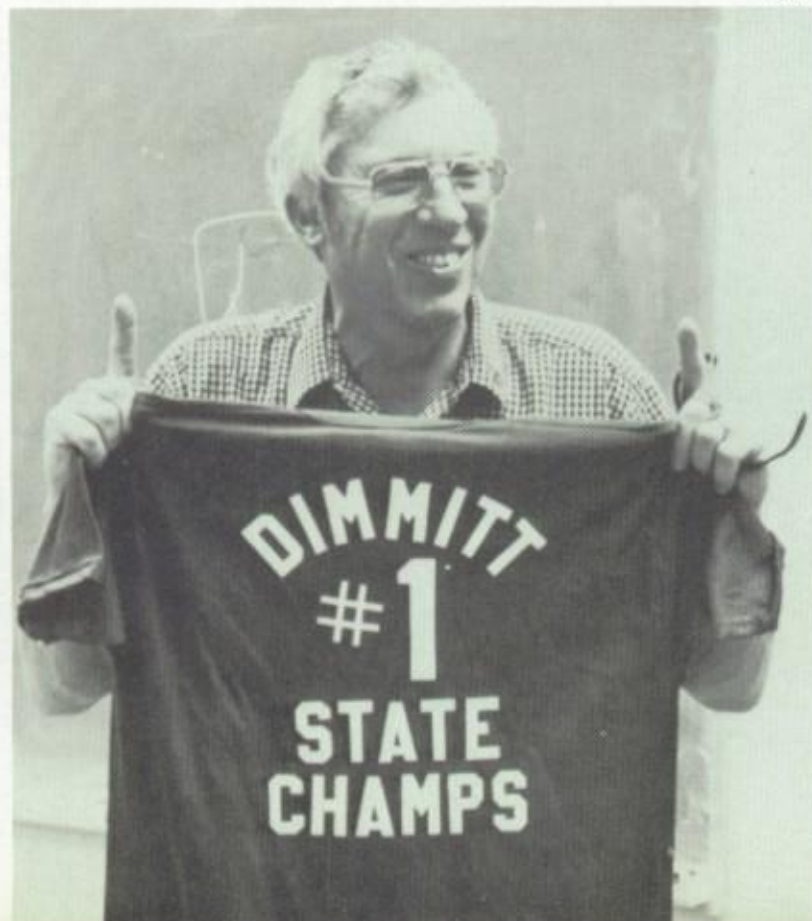

Coach Cleveland was named Panhandle Super Team Coach of the Year.

Named to the All-District team were Phil King, Kevin Cleveland, John Smith, and Jeff Watts. Fermin Gonzales got honorable mention.

All the hard work, sweat, and determination payed off. The Dimmitt Bobcats are 1982 STATE CHAMPIONS.

Even with a slow start at the beginning of the season, the Bobbies bounced back to capture the District 2-AAA Championship. This is the 7th straight year for the Bobbies to win the District Crown. This championship was determined by a play-off game where the Bobbies defeated Littlefield 70-40. Coached by Jimmy Hoyle, the Bobbies ended their season with a record of 19-13. In Bi-District play with Dalhart, the Bobbies were defeated 59-49. Named to the All District Team were: Sonya Andrews, Pam Nelson, Beth Benton, and Norma Porter.

The student senate has a great responsibility here at DHS. The main purpose of this organization is to sponsor and develop all school activities. The members attend the state workshop as well as the district convention. Among the activities sponsored by the student senate are: football and basketball spirit weeks, mums for dress-up day, decorating the school's Christmas tree, providing a film before the holidays and fun day in the spring. The members of student senate are great leaders and represent us well.

The purpose of Interact, under sponsorship of the Rotary Club, is to provide the opportunity for young people to work together in student fellowship and to dedicate themselves to service in their community and in their school. To encourage thoughtfulness and helpfulness to others in the community, the Interact members have sponsored a Thanksgiving and a Christmas food drive, have contributed toys to the Castro County Community Action program and have contributed money to the M. L. Simpson Fund. Within the school, Interact has contributed money to the Presidential Classroom Scholarship Fund. In order to emphasize individual responsibility as a means of achieving personal success, the group actively participates in two major projects within the year to promote more community involvement.

S t u d e n t

Hello,

My name is Robert Watson. I am an exchange student from Bray, in Ireland. My father works in Dublin, the capital, and my mother is a seamstress. I have a brother (16) and a sister (14).

My host family for this year has been the Fred Bruegels. They have been very good to me and have made me feel like one of the family, right from the beginning.

I have made many friends this year whom I shall never forget.

I would like to thank *all* the people of Dimmitt for your kindness and consideration and for making this the best year of my life.

Goodbye,

Robert Watson

Though under a tornado alert, the members of the Bobcat Band, their parents and special guests enjoyed the festivities of presenting the annual awards. After slides of the band trip to Colorado were shown by George Sides, awards and honors were announced. Among those being named were band favorites Jill Brown, Laurie Sides and Tim Wales. Denise Behrends was named drum major and Julie Reeve, Kyla Boozer, Kelli Small and Stacie Jackson were named twirlers for the 1982-83 school year.

1982 Band Banquet

Band Trip

This year the band went to Durango, Colorado for their annual band trip. They played in The Durango Fine Arts Festival where they received a one.

While they were there, the Seniors were treated to a special dinner at the Ore House.

The band also stayed in Albuquerque, New Mexico for a day.

Choir Trip

For this year's Choir Trip, the DHS Singers and the DHS Show Choir went to Enid, Oklahoma. They participated in the Tri-State Musical Festival. The DHS Singers came home with a I rating. For their first performance at Tri-State, the DHS Show Choir came home with a II rating. Everyone had fun on the trip and hope to continue going.

THE CLEAN, EFFICIENT ENERGY

We can't take credit for it. That's just what gas happens to be.

Gas is clean burning. It doesn't dirty the air. It helps preserve the clean, clear skies of today for tomorrow.

Gas is efficient. When you use it, you're saving energy. That's because you are using it direct. It doesn't have to be manufactured like its electric counterpart.

What we can take credit for is working to provide a continuous supply of clean gas energy, so you can save energy by using it for all the big jobs it does best. Like cooking meals, drying clothes, warming and cooling people, and heating their water . . . and helping industry do its work.

Clean, efficient, versatile gas energy. Energas is delivering it . . . for today and tomorrow.

Student Body President

To the student body of Dimmitt High School.

I cannot, in any way, express my deep appreciation and respect I hold for you. It has been a true honor and privilege to lead such a group of people and I will always cherish the experience of being your president. I know that such special people as you can accomplish great things. You will often be in my prayers. God bless you.

Good-Bye My Friends

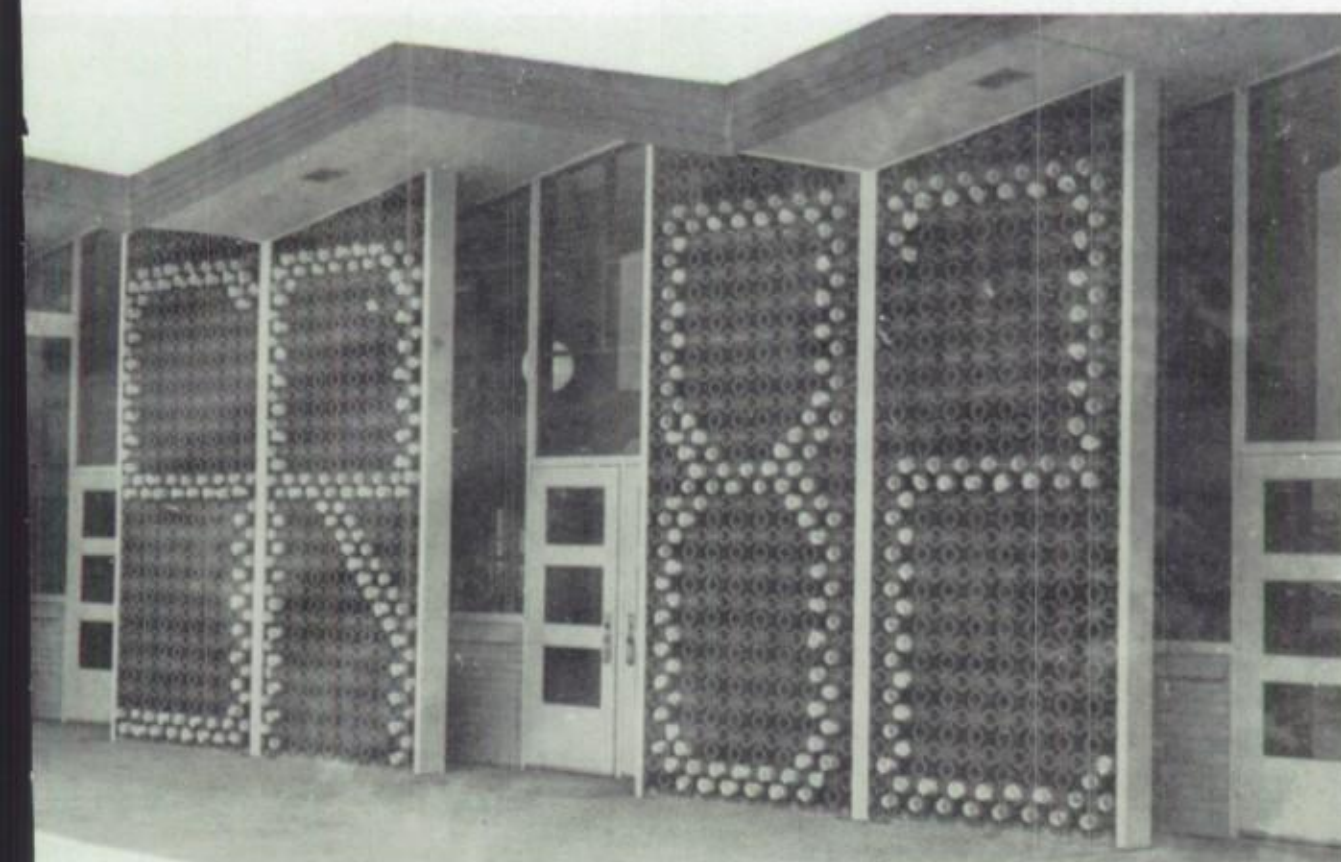

Good-Bye

I want to begin this good-bye with thank-yous. First and most important is my staff and Mrs. Ryan. She is our yearbook advisor, and she has had to put up with us all year long. Also I want to thank the Astro County News and Don Nelson for always furnishing us with pictures, and good ideas.

I want to personally thank each member of my staff. First my assistant editor Dina Heard. She was always there when I needed her, and made lots of good judgements. Next come my two photographers Brent Hill, and Chad Thompson. They had a hard job of getting pictures of all the activities, all year long. Last is each member: Bryan Gregory, Cheryl Powell, Elvira Rojas, Lilia Arce, Nathan Malone, and Holly Gabel. These people have put in lots of hard work, many hours of their own time, and they had to put up with me and all of my complaining. Somehow we still managed.

Now I will close. I wish each of you the best of luck. Especially the Senior class of 1982. Let's remember the good times, and memories. To the Senior class of 1983, make the best of it, it goes by fast. I hope this yearbook will show you a few of the good times we've all had. God Bless, and take care.
